Dear Ann

Please accept this letter as receipt for the wonderful £2,060 grant which has been safely received as part of the Responsive Donations Fund, to help fund our sailing trip for MACS children and young people this Summer.

To have the continued support of The Worshipful Company of Shipwrights, especially in these pressured times, is extremely valuable and makes such a positive difference to children and families affected by MACS conditions (Microphthalmia (small eye), Anophthalmia (no eye) and Coloboma (gap in the eye structure)).

Even more so, as this grant now means that all costs for the sailing trip this year have been covered.

Please do pass on my sincere thanks to all involved at The Worshipful Company of Shipwrights for their fabulous support of blind and visually impaired children and their families.

The sailing trip will take place in August and I very much look forward to updating you shortly afterwards to highlight the main outcomes and impact that this kind support has helped to create.

With kind regards

Teresa Gordon
